

JANUARY 5, 2021

The County of San Diego's COVID-19 Vaccine Clinical Advisory Group discussed and approved the following recommendations on 01/05/21:

- Given the state of the pandemic and rapid spread of the virus, priority is to give as many doses as possible to eligible persons within the appropriate tiers, with
 - A priority in volume and reducing barriers to access, with
 - Vaccinators operating at their maximum possible capacity, and
 - Prioritizing administering dose 1 with the expectation that dose 2 will arrive in future shipments.
